Dear Mr. Oscar Hennig:

Benchmark Genetics USA's registration with USDA APHIS Veterinary Services has been approved as an aquaculture export facility for all species cultured or transiting. Your facility's most recent inspection was performed by Dr. Nancy Reimer, Veterinary Medical Officer on July 31, 2020. Re-inspection is required annually, or earlier if there are significant changes to the facility or in animal health status. The USDA-Accredited Veterinarian of record is Dr. Allen Riggs. Your facility's registration number is FL19002AQ.

Please contact me with any questions at 352-313-3060. Continue to refer to our webpage indicating the most current regulations for export to many countries:
